VALE ROSALIE SNOXALL—A grandchild's perspective...

Miriam Rosalie Snoxall (Ray) was born 19th July 1939. She was one of 4 children. She had one older brother and 2 older sisters. Nana was the daughter of Stella and Bernard Ray, who lived in Kenya, Africa. Nana's sisters preferred the name Rosalie – so that is what people called her.

In 1958, Nana was married to Philip Snoxall in Namirembe Cathedral in Uganda. They migrated to Australia in 1964 with 3 small children – Andre, Nicola and Gavin. They had 2 more children – Clio and Noel born in Australia.

All her life she has been extremely interested in flowers and plants, in particular roses, because there are literally hundreds of different kinds. Nana has built a magnificent garden at Jindivick – it is so special that people come to see it in bus loads.

Nana also likes monkeys and she had a pet monkey when she was a girl, she called it Jackie. Jackie was black and white and nana had him until he went to the zoo. Whenever nana would leave fresh bread out on the table ready for dinner, he would climb onto the table and grab the bread and eat it!

Nana grows all sorts of food in her veggie patch and she has an orchard for all her berries to grow. With all the foods she grows she makes marmalade, jams, mayonnaise and my favourite rhubarb lemonade!

Nana is fantastic at art. She makes stained glass windows, knit wear and crochets lots of things. Nana is helpful and kind. She likes cooking, arty stuff and gardening. Nana is a lovely person and I feel special around her. (Ella Snoxall)

Rosalie loved the Jindivick community and the people that helped enrich her life. Rosalie passed away on 5th September 2023 following a battle with cancer. Thankyou for all the condolences, thoughts and blessings people have given us. The family xxx

FROM JINDIVICK WRITERS GROUP

FOR YOU ROSALIE

How we all will miss the vivid tales of your incredible life.
Your Grandfather's burning T pee with Cathryn wheels on Guy Fawks night.
From time spent in London cellars as the Doogle Bugs fell.
To alluring scenes of your beloved Africa with its majestic spell.
Swimming over coral reefs with crystal clear water on an azure sea.
Story of Jacqui, your colobus monkey, in quest of cake, upending tea.
The colourful bazaars with everything from exotic animals to brass ware,
With scent of sweet pastries and aromatic spices that fill the air.
Riding in a quaint, donkey drawn rickshaw through the clove plantations,
The horror of the senseless murders, fleeing Africa, with a baby, to avoid assassination.
Life, seeming in exile, back in England where you felt outcast.
With Philip and young family on the ship travelling to Australia as "ten-pound Poms", at last.
At writing Group, sitting around your dining table, gazing through your magnificent stained glass.
Scenes of Africa, the Australian magpie, your immaculate garden to Baw Baw, the view, world class.
We admired your sensitivity, determination strength and directness; you never suffered fools.
Riddled with cancer you outlived doctors' expectations, busy with your memoir, garden, art and singing your tools.
You shared and showed us, enriching our lives, Rosalie. May you rest in peace.

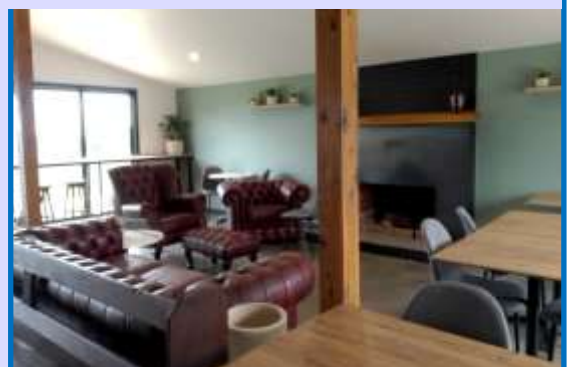

Spring in Rosalie's beautiful Garden.

THE BARN CAFÉ Adam is completing the finishing touches on the refurbishment of the Barn Café and is looking forward to its opening early October.

Jindivick Newsletter October 2023

Drouin West CFA Keeping Our Communities Safe.

Can we fit? In an emergency we want to be able to reach you without delay. It is important to check, will we be able to get through your gate, will we be able to drive down your driveway and we can travel around your property in case of a fire. To assist with this, ensure your trees are cut back with plenty of room for us to travel safely. It is also time to see if your property prepared for the fast-approaching grass and bushfire season. Parts of Australia are already experiencing major fires, lets ensure we are prepared and ready. During October, Drouin West Fire Brigade will be conducting Property Advise Visits to areas of Jindivick that have been identified as high-risk areas. If you would like more information on this and Property Preparedness, come visit us at the Jindivick Market on Saturday the 7th October, or visit our Facebook and send us a message. We are always happy to chat with you or visit your property with information on how to keep you, your family, pets and your home as safe as possible.

JINDI JEMS

8 of the Jems enjoyed a lovely afternoon at Willi's, lots of yummy cakes, & of course, lots of chatter & laughter.

For our Oct trip we're planning to go out to Willow Grove for afternoon tea.

For full details please call Maz on 0447491502.

Community Garden

Another working bee was held on Saturday the 16th of September. Special thank you to Mr and Mrs Watts for helping out. The gardens are starting to take shape you can now see many of the sculptures. There is still a lot of weeding to do to clean out the areas that have had weed spray.

I will not be running another working bee at this stage due to other commitments and also for the lack of interest

Jindivick's New Playground complete and ready to enjoy over the holidays and in time for the October

JINDIVICK PRIMARY SCHOOL

After 12 years at beautiful Jindivick. It is with a mixture of sadness and excitement that I am writing this. I could not have asked for a better school and community to finish my career. I will be taking such wonderful memories of friendships made over the years. The students presented me with a beautiful artwork and I will treasure it and the memories at Jindivick Primary School. Thank you, Wendy Arnott

The new principal at Jindivick Primary School is Ms Lara Wilson. It was great for the school community to meet Lara at the school Annual Soiree in the last week of term 3 and she is looking forward to getting to know the students and school community.

The students did an amazing job at the Soiree, showing their many and varied talents. The 1950s costumes worn by students and staff made the evening more fun.

It will be a busy fourth term with Footsteps Dance Program, and lots of other activities planned. Have a great term break and a fantastic Term 4.

Term 4 starts Monday 2nd October.

Local Bush Walks to explore and enjoy

An interesting area to investigate, before the tracks reopen to vehicles, is Robinsons Creek Track the views along the top of the logging coupe are fantastic. This can be done either the full length from the Bullock link extension (out Stolls Rd) down to Forest Rd Labertouche drop off and pickup are best for this. Or if you prefer a return loop Robinsons Creek Track to Tin Mine Track, and back Bullock Link Track (quite challenging) You can Park at the Caves Rd.

This forms part of a challenging 4WD trail it amazes me the extent some enthusiasts go to maximise damage their vehicles.

If you are not sure where to go or would like someone to go with feel free to give me (Amanda) a call on 0417 188 694
